SUDDENLY, BEFORE ANY CAN MAKE ANOTHER MOVE, THE YELLOW CLAW'S ENTIRE COMPLEX IS ROCKED BY AN EAR-SHATTERING PAROXYSM OF PENETRATING BRUTE FORCE! RIPPING INEXORABLY UPWARD THRU STEEL AND STONE, COMES AN INCREDIBLE, TAPERING LOBSTER-LIKE BORE, LIKE SOME KIND OF TITANIC MONSTER OF THE DEEP! FLAILING WITH SPIKE AND SHEAR, THE COLOSSAL PNEUMATICA CLEAVES ONWARD, WHILE A VANGUARD OF SHIELD'S SUICIDE SQUAD ATTACKS WITH THE VEHEMENT FORCE OF A WILD TIDAL WAVE!

PERSONAL NOTE TO ALL FAITHFUL SHIELD FOLLOWERS FROM JIM STERANKO: IT WAS ABSOLUTELY IMPOSSIBLE TO PRESENT THIS MIND-BENDING SUPER-SPECTACLE IN ANYTHING LESS THAN A **POWERFUL, PANORAMIC FOUR-PAGE SPREAD**. TO GET THE FULL EFFECT, OF COURSE, REQUIRES A SECOND 15H PLACED SIDE-BY-SIDE, BUT WE THINK YOU'LL FIND IT TO BE WELL WORTH THE PRICE TO HAVE THE WILDEST ACTION SCENE **EVER** IN THE HISTORY OF COMICS.

Shamed by Your English?

You can soon speak and write like a college graduate if you let me help you for 15 minutes a day.

If you've ever been shamed by a mistake in English, maybe I can save you from years of disappointment.

I have met countless numbers of intelligent men and women who are being held back in their jobs and social lives, often without knowing it, because they cannot express themselves fully and easily.

WHAT ABOUT YOU?

If people are not impressed by the way you speak and write—and if you're honest enough with yourself to admit it—you have already taken the first big step to success.

HERE'S WHAT TO DO

You can master good English without going back to school. Over the years I have helped thousands of men and women right in their own homes.

I can help you, too, if you will give 15 minutes a day to the C. I. Method. My answers to the following questions explain why you need a command of good English and how easily you can do something about getting ahead.

Question: *What is so important about my ability to speak and write?*

Answer: People judge you by the way you speak and write, both in business and in social life.

Question: *What does a "command of good English" mean?*

Answer: It means you can express yourself clearly and easily without fear of embarrassment or making mistakes.

Question: *Are there other advantages to be gained by acquiring a command of good English?*

Answer: Yes! Words are actually "tools of thought." The more you learn about words and how to use them to form and express your ideas, the better your thinking becomes.

Question: *Wouldn't I have to go back to school for a command of good English?*

Answer: No, not any more. You can gain the ability to speak and write like a college graduate right in your own home in only 15 minutes each day.

Question: *How do I know your method works?*

Answer: There are thousands of letters in my files, testimonials from people in all walks of life who have used the proved Career Institute Method to achieve amazing results. If you send in the coupon below, I will share some of these letters with you.

Question: *How can I find out more about the Career Institute Method?*

Answer: I will gladly mail a free 32-page booklet to you. Just send a postcard or fill out and mail the coupon.

"IN THE WAKE OF A STRANGER!"

COME 'N GET IT, TIGER — HERE'S OUR NEW YEAR'S GIFT TO YOU!!

We promised to start '68 off with a bang, and we kidded these not! So, hang on to your crash helmet, pilgrim — this is what you've been waiting for!

ITEM I: It's finally happened! The star-spangled Captain America — and the great, green-skinned Hulk — have both been awarded their own full-length mags each month! That means, starting right now, you can buy the big, new, action-packed **CAPTAIN AMERICA COMICS**, as well as the sensational, spectacle-filled **INCREDIBLE HULK COMICS**, and thrill to their awesome adventures from cover to cover!

BUT — now you're probably wondering what'll happen to Iron Man, and the swingin' Sub-Mariner! Well, you didn't think we'd forget about 'em, didja? For this month only, they're both sharing the same mag — and both their names will be featured in the cover title. That's right — we said "For this month only!" Because, next month — aw, no sense telling you now! We've got some big changes coming month after month — and we might as well clue you in a little at a time, as we go along! So, watch for the big surprise announcement coming up next ish — and the ish after that! — and after that — and after that! Yessir! 1968 is the year of Marvel — and you better believe it!

Y'KNOW, we're so excited about our two brand-new smashes, **CAPTAIN AMERICA** and **THE INCREDIBLE HULK**, that we can hardly talk about anything else! Both mags feature all the action, drama, and suspense which you've come to expect from your blue-eyed Bullpen — plus the added treat of a couple of **ORIGINS** tossed in for good measure, for the benefit of those who really like to get their money's worth! And, like we said, this is only the beginning!

REMEMBER how it all started? Lots of frantic ones thought of Marvel was getting lazy — they thought they were satisfied to sit back and rest on our laurels! Then, we 'em with a sudden one-two punch — first, the magnificent mad **NOT BRAND ECHH**, which has proven to be the unexpected smash hit of the decade — and then, almost before they could catch their breath, along came the daringly different **CAPTAIN MARVEL**, who seems to have taken superhero fandom by storm! Lazy, are we? Know this — we're just getting started! This is the beginning of the **SECOND Golden Age of Marvel** — and it's gonna be a never-ending Joyride! Next ish we'll tell you about lots more of the goodies in store — as if you didn't know!

ITEM I: It's title-time again! Here's the mightiest of all Marvel ranks — the one which adorns the very pinnacle of Marveldom! You've already been briefed about **RFO** (Real Frantic One), to be used by those who buy three or more Marvel mags a month — **ONE** (Quite 'Nuff Sayer), for those who've had a letter gracing our peerless pages — **TB** (Titanic True Believer), for the richly-endowed recipient of a KOF (Keeper of the Flame), for those who recruit a new disciple into the rollicking realm of Marveldom. And now — the ultimate! The ne plus ultra! The apex of titledom! **PMM** (Permanent Marvelite Maximus), to be cherished and guarded with pulsating pride by those fortunate few who have won all four of the

preceding titles! If you're a **PMM**, you're entitled to face the Baxter Building and wiggle your webs whenever the mood strikes you — and you can even call your friendly Forbush-Man by his first name! Tamam Shudi!

STAN'S SOAPBOX!

Now that we've announced the start of the Second Golden Age of Marvel, we must also announce the end of an era! From this moment on, we'll no longer refer to our competition as **Brand Echh**. We coined that expression a few years ago as a gag, figuring it would be fun for us to needle some of the outfits who were older and bigger than we. However, thanks to the loyalty of our fabulous fans, and to the hard work, talent, and dedication of our beloved Bullpeners, we've managed to make ourselves the undisputed leaders of the comics industry. Perhaps we're still not the biggest — and we're certainly not the oldest — but we doubt that any group of magazines has ever before been so imitated, so universally acclaimed, or so zealously supported by its fans! — No, strike that word! You're more than fans! Much more! We've always thought of you as friends — and we always will! Anyway, when you're on top of the heap, it doesn't seem right to rib the other guy who hasn't quite made it — and that's why the only time we'll use the phrase **BRAND ECHH** from now on is in the title of our own goofy gag mag! So, to the artists, writers, and editors of the other companies in this batty business in which we toil, many of whom are close personal friends of ours — we hereby and the fatuous word! We've been flaunting before the public. Let's just call it a draw and get on with the business at hand — the business of making today's comic mags the greatest entertainment value on earth — and tomorrow's even greater! 'Nuff said!

THE MIGHTY MARVEL CHECKLIST

Marvel's Mags On Sale Right Now!

NOT BRAND ECHH #7: This is almost too terrific to describe! Out of the goodness of our greedy little hearts, we present the **ORIGIN OF THE FANTASTICAL FOUR** — and, to prove we play no favorites, we also give you — and you can have it — the **ORIGIN OF STUPORMAN!** What more can we say?

FANTASTICAL FOUR #731: It's true! Dr. Doom lives again! And, to celebrate this mind-staggering revelation, you'll thrill to one of the greatest battles ever staged, featuring none other than **Spider-Man** — **Daredevil** — and the mighty **Thor!** It's a mind-blower!

SPIDER-MAN #59: This one's really different! Spidey battles a mysterious supervillain whom he doesn't even see till the very end! But, when he finally learns who The Brainwasher really is, it's one of the most startling surprises of the year!

AVENGERS #50: Immortal vs. Immortal — as the matchless Hercules faces the pure pounding power of Typhon, mightiest of titans! And, you can be sure the rest of our ever-lovin' assemblers get into the act, as well! A knock-down, drag-out blast!

X-MEN #42: The issue you never expected to see — and we never expected to print! Professor X dies — so that humanity might live! And, don't miss the pulsating showdown with the sub-human monster called **Groteski!** This is the big one!

DAREDEVIL #38: We call it "The Living Prison," and no thriller was ever more aptly titled! Wait'll you see **Daredevil**, in the body of Dr. Doom, battling against Dr. Doom — in the body of **Daredevil!** Possibly the most drolly original theme you'll gasp at this year!

CAPTAIN MARVEL, STARRING IN MARVEL SUPER-HEROES #13: Still on sale — if you're lucky! Marvel's newest hero gains a new identity — a new life — and a new sinister foe, as the senses-shattering Sentry once more walks the earth! It's a gasser!

THOR #180: At last — the mighty Thunder God is slain by Heia, Goddess of Death! Is this to be the end of the most spectacular series of modern times — or the beginning of new wonderment such as mortal eyes have never seen? Even we're not sure!

IRON MAN AND SUB-MARINER #1: Don't dare miss this one! Probably the only time these two superhero greats will co-star in the same mag! Next month they go on to a still greater destiny, but till then — this one titanic issue will undoubtedly be the top collectors' item of the season!

CAPTAIN AMERICA (Premiere Issue): This is it! The star-spangled Avenger in his own full-length magazine! Featuring an unexpected origin bit, plus the startling solution to the macabre mystery of **Zemo!** You'll never part with this one — especially when the Panther goes into action!

THE INCREDIBLE HULK (Premiere Issue): Another triumph for mighty Marvel! The world's most powerful mortal starring at last in his own magazine! As an extra bonus, you'll thrill anew to **Green Skin's** origin — as well as to the awesome action when the might of **Asgard** is hurled against him!

GGT, FURY #32: It's a web-hooking work of war-mag wonderment when **Happy Sam Sawyer** leads the **Howlers** into a Nazi prison camp to rescue a captured Allied scientist! Talk about bombshells... boom boy!

CAPTAIN SAVAGE #3: The Leatherstock Raiders lock horns with the sensational **Samurai Squad** in a desperate attempt to halt a world takeover plot by... none other than **Beren Strucker!** It's dynamite! **MARVEL COLLECTORS' ITEM CLASSICS #14:** The FF, Iron Man, Doctor Strange, and the Hulk — all in one action-packed issue you'll never forget — unless you're holding out on the Marvel Age of Comics! (Parish the thought!)

MARVEL TALES #13: Spidey, Thor, Giant Man, and — latch onto your seat belts — from out of the glorious golden age... **Marvel Boy**, one of the most dramatically different superheroes ever! The House of Ideas has struck again!

I'LL MAKE YOU A MASTER OF

KARATE

Karate is the secret, Oriental art of self-defense that turns your hands, arms, legs into paralyzing weapons... without any bodily contact.

In just 2 hours after you receive "SUPER KARATE" you will be on your way to being an Invincible Karate Master, at home, this Fast, EASY way or it costs you nothing.

WALLACE W. REUMANN

Author of "SUPER KARATE" and world-famous authority on KARATE, is the ONLY instructor in the Northeast U.S. recognized by the International Karate Federation in Tokyo.

I spent 3 years in Japan learning the full-blown Oriental art of KARATE and was awarded the 4th degree black belt symbol of the highest possible proficiency. Now I'm ready to show you every secret I learned—and I guarantee I'll make you into a KARATE specialist within hours—no matter how old you are. All the information will be refunded if you don't have to stand either of my 2 schools where I train men like you and learn from KARATE experts. No, I can show you how to master KARATE, the primer of your own home with only a few minutes of practice a day. I have just packed all I know about KARATE into "SUPER KARATE"—a carefully illustrated and clearly explained.

In this book I take you step by step through the fundamentals of KARATE so that you understand clearly and immediately how these amazing principles operate to make you master of ANYONE you may meet—no matter how big he is, or how much he weighs!

YOUR BODY IS YOUR PROTECTION!
The result of hundreds of years of development in Japan, Karate is the Oriental system of self-

defense in which you turn your hands, arms and legs into incredibly powerful weapons of attack. When you know how to use KARATE, you disarm and disarm your opponent in SECONDS.

When you apply KARATE techniques, you can cut an aggressive attack with a blow of the side of your hand. You can toss an attacker from the mat over your shoulder and slam him into the ground. Or, in a recent photo given in Payment Magazine shown in U.S. girl slandering her 840-lb. instructor into the practice mat!

With KARATE you can disarm an opponent holding a knife, a whip, or any kind of weapon. You can turn an aggressor's attack into your advantage with only your bare hands, your arms and your legs.

MASTER EVERY SITUATION

With KARATE you can disarm and disable two, three and even four opponents at once. You can stand up to any kind of trouble. You can turn an aggressor's attack into your advantage. You can turn an aggressor's attack into your advantage. You can turn an aggressor's attack into your advantage.

STRANGE MAILS

Dear Stan,

Jackpot! Shield is an excellent comic, and very few comics I have ever read can classify as excellent. Jim's covers are terrific. They always have a lot of dramatic value, and pack a lot of impact. His inside work is likewise magnificent. Although obviously influenced by Kirby, Steranko's style is unique and one of its best features is the variety of special effects. How about telling us how they are produced? I like the idea of Fury being a lone agent—almost a superhero. Speaking of jackpots, how about Dan Adkins! In Adkins you have found a great artist for Dr. Strange—his layouts, pencils, and inks are all superb. (Keep Marie Severin on NOT BRAND ECHH—that's where her style is best used.) Adkins' imagination in drawing the backgrounds and mystic dimensions is fantastic! A talent like his shouldn't be wasted by inking other artists' work. I sincerely hope you keep him as the permanent artist. Keep editorializing the way it is now.

Robert Klein, 6 Gredrie Dr.
Asbury Park, N. J.

Alright, already! We can't very well refuse after all cogent comments about Jaunty Jim and Dapper Dan! They'd probably clobber us! Anyway, you can rest assured that we'll do everything possible to keep those two hogtied to the Bullpen for a long time—if SHIELD doesn't lure 'em away!

Dear Stan,

Shield is the greatest thing to happen to the spy business since cloaks and daggers. Your new character, Clay Quartermain, is great, but I've seen him somewhere else—in a movie like "The Crimson Pirate" or some other Burt Lancaster film. Steranko must be a fan of his, and he is great. Why not have the other people that graduated with Clay and the Countess appear in some stories? You did say they each had a unique talent. I'm sure your readers would like to see them in action.

Michael Lawrence, 90 Downing St.
Brooklyn, N. Y. 11238

And so would we, Mike! That's why other never-before-seen SHIELD agents are likely to be popping up from time to time—so keep your score card handy! But what's this about Clay Quartermain bearing some slight resemblance to Burt Lancaster? Sheesh—and all the time we thought he was the spitting image of Howdy Doody! Oh well...

Dear Stan,

I've just finished absorbing every word and illustration your STRANGE TALES #163—now if I can just sort out

what I absorbed! I definitely agree that Doc Strange should not give up the mystic arts scene. Now to get down to cases—why, on page 1 of the Doc Strange story, is the Living Tribunal's half-covered face on the left of his uncovered face and his completely covered face on the right on his uncovered face, when his completely covered face should be on the left of his uncovered face and his half-covered face should be on the right of his uncovered face? Sheesh! How could you do that? Well, till Doc Strange eats his amulet for dessert, make mine Marvel!

Michael Pleasant, 4948 Westgrove Rd.
Virginia Beach, Va. 23455

We'll do that, Mr. P—but had you said, "till the Bullpen eats crow," we'd have been in trouble! After the bombastic boo-boo you just pointed out, that famous pie with the four and twenty blackbirds in it will never reach the king! What can we say—other than "Sorry 'bout that!"? ("Send you a no-prize," you say?) Okay, tiger—it's on the way! We just hope you won't mind the greasy fingerprints!

Dear Stan,

Although you're getting Spidey and Fantastic Four on TV, you're forgetting the one series that's a must in my book for TV—Nick Fury, Agent of Shield. Your stories are as good, if not better, than the late Ian Fleming's James Bond or Donald Hamilton's Matt Helm. I hope that you can be convinced to get Shield on TV by next fall. By the way, Countess Valentina Allegro De Fontaine is beautiful, just the woman for Fury. Don't ever let Jim Steranko leave Shield. His touch makes it real. Thanks for all the enjoyment I get from reading your books. Make Shield full-length and, even then, don't quit the continued stories.

SP/4 John E. Mullen, US 56579468, HHC, 4/23
25th Div., APO, San Francisco, Cal. 96225

We won't promise, soldier—'cause you know how changeable we can be! There's a good chance the old serial-style will continue, though, at least until we decide to stop it! Now, as for SHIELD making the boob-tube scene—we're all for it! But, if you happen to know any network presidents, showing 'em this answer might help speed the process a bit! Okay? Okay!

Norman Rockwell—America's most beloved artist. He is a founder and member of the Guiding Faculty of the Famous Artists School.

'We're looking for people who like to draw'

says **Norman Rockwell**

Today hundreds of men and women who never thought they could be artists are working at easels and drawing boards, making pictures and getting well paid for it. They all can thank a group of famous artists who have devoted much of their time and talent to helping others find success in art.

Some of the people the Famous Artists have helped

Carl Kock was an 18-year-old apprentice in a Chicago art studio when he enrolled. Today he prepares ads for such companies as General Motors and Firestone—has won five gold medals.

Howard Sanden of Minneapolis took the Course while still in high school. He is now a successful artist—recently he and his wife traveled through Europe and the Middle East on important art assignments.

Paul Sullivan enrolled at 14. His Famous Artists training helped him work his way through college.

Kathleen Gironda of Indiana, Pennsylvania, was an 18-year-old salesgirl in a department store, but now it's as an advertising artist and fashion illustrator.

With Famous Artists training James Ryan, formerly a clerk, has become an illustrator at Hughes Aircraft—and turns out a steady stream of well-paying free-lance artwork in his spare time.

Oregon housewife Helen Tryk lives 150 miles from the nearest big city. But she does fashion illustration, has her own studio, runs an art work shop, does portraits.

A plan to help others

It started over 18 years ago when a group of America's most successful artists—men like Albert Dorne, Norman Rockwell, Jon Whitcomb, Al Parker and Stevan Dohanos—met in New York City. They knew that all over America there were people who liked to draw who could be turned into good artists. Albert Dorne asked, "Why can't we give these people the

training they need—including all the trade secrets and know-how we've learned over the years?"

He suggested a new kind of art school—a home study art school—that would give talented people the best professional art training, no matter where they live.

The famous artists agreed. Taking time from their busy careers, they created a remarkable series of art lessons covering every aspect of drawing and painting. They illustrated their lessons with over 5,000 "here's-how" illustrations. The lessons start from scratch and cover every skill a top artist needs. Finally, they developed a wonderful way to give each student personal correction and advice all through his training.

The famous artists with the School are not surprised at the success of their students. The opportunities open to successful artists today are enormous. The School continually gets calls from all over the country asking for practical well-trained students—not geniuses—who can step into full-time or part-time art jobs. And practical, thorough training is what the School offers.

Famous Artists Talent Test

To find others with art talent worth developing, the Famous Artists created a 12-page Talent Test. Thousands paid to take this test, but now the School offers and grades it free. Men and women who do well on the test—or offer other sufficient evidence of art talent—may enroll in the School. But there's no obligation. Simply mail the coupon below.
